2. Sort the following adverbs into Regular, Irregular, and Short:

early, fast, well, badly, quickly, hard, carefully, worse, slowly, clearly, loudly, gracefully, soon, late, far, better, worst, easily, quietly, happily

3. Transform the sentences by changing the degree of comparison (comparative ↔ superlative):

- | | |
|---|---|
| a) He worked harder than his friend. | d) Among all, she danced the most gracefully. |
| b) She sang the most beautifully of all. | e) He wrote more neatly than his classmates. |
| c) The train arrived earlier than expected. | f) My brother ran the fastest in the race. |

4. Choose the correct sentence:

- (i) She arrived earliest than me.
 (ii) She arrived earlier than me.
- (i) He performed most best of all.
 (ii) He performed the best of all.
- (i) He spoke more politely than his friend.
 (ii) He spoke most politely than his friend.
- (i) Among all, she sang the most beautifully.
 (ii) Among all, she sang more beautifully.

5. Read and answer with comparative/superlative adverbs.

Three students are working on a science project. Ritu worked carefully on her project, Mohan worked more carefully, and Neha worked the most carefully.

- Who worked _____ (carefully) than Mohan?
- Who worked _____ (carefully) of all?
- Compare Ritu and Neha's work using comparative adverbs.
- Write a sentence using "most carefully."
- Write one comparative sentence about how often Ritu and Mohan practice their work.
- Write one superlative sentence about how often Neha practices her work.
