

Name: _____

Date: _____

Nouns

Level 1: ★

1. Break these compound nouns into their parts:

- a) football → _____ + _____
 b) toothbrush → _____ + _____
 c) playground → _____ + _____
 d) bedroom → _____ + _____
 e) newspaper → _____ + _____

2. Circle the uncountable nouns and underline the countable nouns in the following sentences:

- a) There is some milk in the jug and two glasses on the table.
 b) She bought a lot of bread and three loaves from the bakery.
 c) The teacher provided us with information about the project and two examples to illustrate it.
 d) We need more water in the bottle and four cups for the guests.
 e) He shared his knowledge with the students and told an interesting story.
 f) There is little sugar in the bowl and five spoons on the plate.
 g) She wrote a poem about peace and filled it with great happiness.

Level 2: ★ ★

3. Fill in the blanks with suitable compound nouns:

- a) I bought a new _____ to write my notes.
 b) Children love playing in the _____ during recess.
 c) We read the _____ every morning.
 d) Dad uses _____ after brushing his teeth.
 e) Our flight leaves from the city _____.

4. Write C for countable nouns and U for uncountable nouns. Write a sentence for each:

- | | | |
|----------|-----------|---------------|
| a) house | d) tablet | g) noise |
| b) wood | e) wish | h) photograph |
| c) oil | f) grass | i) curtain |

Level 3: ★ ★ ★

5. Read and answer the following:

- a) Invent **two new compound nouns** that could exist in the future (for example, *hovercar*, *cloud phone*).
 b) Write a short definition for each.
 c) Use them in a sentence that shows their meaning clearly.

6. Read the situation:

"Two students, Ankit and Sara, prepared for their exams. Ankit had ten notebooks, three pens, and many printed notes. Sara had only three books in comparison, but more patience and didn't stress as much as Ankit".

- a) List countable and uncountable nouns separately.
 b) Compare Ankit and Sara's study materials using 'fewer' and 'less'.
 c) Write your own short comparison (about food, study, or sports equipment) using at least three countable and two uncountable nouns.
