| c) He is sleeping _____.        | g) We travelled _____.         |
| d) The school is located _____. | h) The clock is hanging _____. |

#### 2. Fill with a suitable adverb phrase:

- |                             |                                 |
|-----------------------------|---------------------------------|
| a) She danced _____.        | e) He played the piano _____.   |
| b) He solved the sum _____. | f) The boy answered _____.      |
| c) They walked _____.       | g) She sang the song _____.     |
| d) She smiled _____.        | h) He completed the work _____. |

#### 3. Add a suitable prepositional or adverb phrase:

- |                                     |                               |
|-------------------------------------|-------------------------------|
| a) The children are hiding _____.   | e) They arrived _____.        |
| b) He solved the problem _____.     | f) He ran _____.              |
| c) We stayed _____.                 | g) The bird is sitting _____. |
| d) She answered the question _____. | h) Deepti wrote _____.        |

#### 4. Write T (True) or F (False):

- A prepositional phrase always begins with a preposition.
- An adverb phrase describes a noun.
- "In the park" is a prepositional phrase.
- "With great speed" is an adverb phrase.
- Prepositional phrases can show time, place, or direction.
- Adverb phrases modify verbs, adjectives, or other adverbs.

#### 5. Identify the phrase and explain its role (place, time, manner, or reason):

- |  |  |
|--|--|
| a) The children hid under the bridge.  | e) He completed the work with determination. |
| b) She answered with great confidence. | f) She spoke in a polite way.                |
| c) They reached by evening.            | g) We waited at the station.                 |
| d) The cat jumped onto the table.      | h) The teacher praised him for his honesty.  |

#### 6. Change the adverb to an adverb phrase OR the phrase to a single adverb:

- |                                   |                                      |
|-----------------------------------|--------------------------------------|
| a) She spoke politely.            | e) He answered <i>with honesty</i> . |
| b) He ran <i>with speed</i> .     | f) The child cried loudly.           |
| c) They worked <i>with care</i> . | g) She walked <i>in a hurry</i> .    |
| d) She smiled brightly.           | h) He played happily.                |

#### 7. Rewrite the passage by correcting phrase errors.

##### Passage:

The boy shouted with loudly. He walked in quickly. Later, he spoke on happily. Then, he sang in angrily. Finally, he smiled at joy.
