### Adjectives

Level 2: ★★

#### 1. Write G for Gradable and NG for Non-Gradable adjectives:

- |                                |                                 |
|--------------------------------|---------------------------------|
| a) The soup is warm.           | e) The story was funny.         |
| b) That diamond is flawless.   | f) The performance was perfect. |
| c) The child felt sleepy.      | g) The mountain air felt fresh. |
| d) The solution is impossible. | h) The museum was full.         |

#### 2. Label each adjective as Gradable (G), Non-Gradable (NG), Extreme (E), Absolute (A), or Classifying (C):

- |              |             |           |            |              |               |
|--------------|-------------|-----------|------------|--------------|---------------|
| a) Terrified | b) Married  | c) Wooden | d) Large   | e) Delicious | f) Impossible |
| g) Furious   | h) Circular | i) alive  | j) ancient | k) clean     | l) unique     |

#### 3. Mark each use of the adjective modifier as Correct (✓) or Incorrect (X):

- |                                  |                                   |
|----------------------------------|-----------------------------------|
| a) It's very freezing outside.   | e) He felt extremely tired.       |
| b) The soup is quite hot.        | f) That design is totally unique. |
| c) She is absolutely exhausted.  | g) The exam was fairly easy.      |
| d) The task was very impossible. | h) The room was completely empty. |

#### 4. Read each sentence and identify the type of adjective (Gradable, Non-Gradable, Extreme, Absolute, Classifying). Then briefly justify your answer.

- |                                 |                                |
|---------------------------------|--------------------------------|
| a) The meal was delicious.      | e) The room was spotless.      |
| b) The table is wooden.         | f) It's an electric oven.      |
| c) This question is impossible. | g) The mountain air felt cold. |
| d) The child looked sleepy.     | h) His argument was flawless.  |

#### 5. Fill in each blank with a suitable adjective that fits logically and grammatically:

- The soup was so \_\_\_ that nobody could drink it.
- Her handwriting is \_\_\_ that even teachers praise it.
- The exam was \_\_\_ difficult, but everyone passed.
- The movie was \_\_\_ boring that I almost fell asleep.
- The child was \_\_\_ terrified after the thunderstorm.
- The bag was \_\_\_ empty when I opened it.
- The story was \_\_\_ interesting that I read it twice.
- His performance was \_\_\_ perfect; there were no mistakes.

#### 6. Replace the underlined adjective with an *extreme adjective* of the same meaning:

- The room was very dirty.
- The journey was very long.
- The water was very cold.
- The child was very happy.
- The climb was very difficult.
- The soup was very hot
- The noise was very loud.
- The teacher was very angry.
