## Prepositions

Level 3: ★★ ★

**1. Rewrite each sentence using a different preposition that maintains logical sense but changes the perspective or nuance:**

- a) She looked through the window.
- b) The man walked across the street.
- c) The aeroplane flew over the city.
- d) The chair is beside the table.
- e) They will arrive after lunch.
- f) The child cried because of fear.
- g) He worked for his family's happiness.
- h) The tunnel goes under the hill.

**2. Add a prepositional phrase to give more detail to each sentence:**

(Example: *She waited* → *She waited in front of the school.*)

- a) The boy hid.
- b) The bird flew.
- c) They met.
- d) She sang.
- e) The train stopped.
- f) He rested.
- g) The students waited.
- h) The children played.

**3. Combine the two simple sentences using a suitable preposition or prepositional phrase:**

- a) He stayed home. He was feeling sick.
- b) The concert was cancelled. It rained heavily.
- c) We left early. We wanted to catch the train.
- d) The letter was written. It was written by Shakespeare.
- e) The baby cried. The loud noise scared him.
- f) The teacher entered the room. The students stood up.
- g) She saved money. She wanted to buy a computer.
- h) The shop closed. It was 9 p.m.

**4. Each sentence has an incorrect preposition. Replace it with the correct one.**

- a) The teacher is sitting *in* the chair.
- b) We will reach there *on* 8 p.m.
- c) She walked *over* the room quietly.
- d) He was born *on* 2009.
- e) The kids jumped *into* the wall.
- f) The restaurant is *in* the corner of the street.
- g) He waited *since* two hours.
- h) The dog is hiding *above* the table.
- i) He arrived *on* time even though it was raining.
- j) The train stopped *on* the station.
- k) The picture hangs *in* the wall.
- l) The cat jumped *in* the table.

**5. Create your own sentence for each preposition type:**

- a) Movement
- b) Place
- c) Time
- d) Duration
- e) Cause
- f) Purpose
- g) Agency
- h) Prepositional Phrase
